Road Conditions

Discussion was held on the conditions of the municipal roads. Washboard continues to be a concern. Concerns regarding the condition of Gray Road were discussed; the lack of moisture continues to have an adverse affect on the road conditions.

The grader operators need to be reminded to remove the warning signs and fix the trouble spots when they are on the roads. The committee would like to see the operators working in tandem on a regular basis.

Administration was instructed to speak with the grader supervisor regarding the holiday schedule.

Discussions were held regarding the spraying program of the municipality. Administration was instructed to prepare a report on options regarding Local Weed Districts.

Council Brown reported that he had received a request from Mr. McRae for the R.M. to assist in his application to clear out the ditch along his property. This is a provincial right-of-way. Administration will contact Denise Jubenville at MIT for further information.

Reeve Atkinson reported that he had heard a news cast on a local radio station regarding the Southwest Flood Strategy Committee that has been set up to deal with concerns regarding the spring flood and excessive moisture in southwestern Manitoba.
