

2026 Farmland School Tax Rebate

The Farmland School Tax Rebate (FSTR) program is now accepting applications for the 2026 tax year. Farm property owners may be eligible for up to 40 per cent of school tax to a maximum of \$2,500 per ratepayer, which includes all related persons of that ratepayer.

If a client received a rebate in 2025, and applied on paper, their 2026 FSTR application has been sent in the mail. And if they applied online, they will soon receive an email notifying them that the application is available through our online portal, [myMASC](#).

Existing FSTR clients can apply for the rebate online. New applicants are only able to apply using a paper application for the first year. The completed application forms are to be sent to the nearest MASC Service Centre. To reduce processing times,

please ask ratepayers to use the preprinted FSTR applications that were mailed to them as opposed to completing blank ones.

As we have done in previous years, we will accept your municipal stamp and signature near the bottom of the second page as proof the 2026 property taxes and any penalties or interest charges for each of the properties listed on the application were paid in full prior to the application deadline of March 31, 2027. Please note a **paid** stamp is not sufficient; the stamp must contain your municipal name and a signature. Blank FSTR applications are **not** to be stamped as paid and distributed to the taxpayer; doing so will result in our having to accept copies of receipts only.

Please note that MASC will be publishing a Facebook/X post today, October 9 at 1:00 p.m., announcing that the **2026 Farmland School Tax Rebate (FSTR) Program is now open and accepting applications**. We encourage you to share this post to your social accounts to help make your followers aware. Find links to our pages below.

Thank you for your assistance in ensuring that we can deliver the rebate to our mutual clients as efficiently as possible.

Have Questions? We're Here to Help.

Should you or any ratepayer have any questions regarding FSTR, please feel free to contact your local MASC Service Centre.
