

**THE RURAL MUNICIPALITY OF CORNWALLIS**

Reference	Transportation	Classification	Policy
Subject	Snow left on Municipal Roads	Pages	1
Authority	Council	Effective Date	February 21, 2017
Approved	February 21, 2017	File Reference	

**PURPOSE**

The purpose of this policy is to keep municipal roads safe for travelling public

**Policy:**

**“Be it resolved that Council of the RM of Cornwallis adopt the following policy for snow left on municipal roads as follows:**

- **Snow must not be left on Cornwallis municipal roadways from the clearing of lanes. This snow, once moved, hardens very quickly and causes danger to the travelling public, as well as danger and potential damage to municipal equipment and wings when they hit the snow. This applies to piles of snow as well as to ridges left when pushing snow across the road.**
- **If snow is left on the municipal road or shoulder, registered written notice will be provided to the registered property owner(s) as follows:**
  - **A copy of this policy.**
  - **Notice that for second and subsequent offences, billing for removal of snow from the municipal road and/or shoulder that originated from their property will be charged at the rate in effect at the time of the offence.**
  - **Advice that only one notice per property will be issued. This one notice shall apply for all subsequent years wherein any additional notice will be deemed a second or subsequent offence and shall be subject to the billing charge.**
  - **Notice that, following issuance of first notice, any damages caused by the snow being left on municipal road and/or shoulders to municipal equipment and/or injury to municipal employees will be billed to the ratepayer and collectible in the same manner as property tax may be collected or enforced under the Municipal Act.”**
